1. Introduction.

This Power Purchase Agreement (this “Power Purchase Agreement” or “PPA”) is the agreement between you (“Homeowner” or “you”), the Home’s co-owner, if applicable, (“Co-Owner”) and **Solwerks Power, Inc.**, a Nevada corporation (together with its successors and assigns, “Provider”, “us” or “we”), covering the sale to you of the power produced by the solar panel system (as further described in Section 8, the “System”) to be installed at the Property. Provider agrees to sell to you, and you agree to buy from Provider, all of the power produced by the System. The System will be installed by a contractor at Provider’s expense at the address you listed above (the “Property” or “Home”). This Power Purchase Agreement is 17 pages long and has up to three (3) Exhibits depending on the state where you live. Provider provides you with a Limited Warranty (the “Limited Warranty”). The Limited Warranty is attached as Exhibit 2. By signing this Power Purchase Agreement you represent and warrant that (i) you are either a citizen of the United States or not exempt from paying Federal income taxes, (ii) the Home is not subject to any encumbrances (including, but not limited to, homeowners’ association, condominium association, community association or cooperative covenants, restrictions, bylaws or administrative provisions “Restrictive Covenants”) that would prohibit, modify or restrict the installation of the System on the Home, (iii) you have the requisite authority to sign this PPA, satisfy the obligations and grant the rights to Provider hereunder (in each case on your own behalf and on behalf of each person or entity with an ownership interest in the Home), and (iv) if the Home has been placed into a trust, you are, or a signatory hereto is, the grantor, trustee, and beneficiary of such trust with requisite authority to bind the trust under this PPA. If this PPA is also signed by a Co-Owner, each of Homeowner and Co-Owner shall be jointly and severally liable for your obligations under this PPA and, by signature on this PPA, appoint each other to act on your behalf in all future matters associated with this PPA, including signing any amendment to this PPA, cancelling this PPA, confirming any other matters or receiving any notice associated with this PPA, and similar matters. By execution of this PPA, you are hereby binding your estate, heirs, executors, administrators, legal representatives, personal representatives, trustees, successors and assigns to the obligations of this PPA. If you have any questions regarding this Power Purchase Agreement, please ask the Provider.

2. Term.

Provider agrees to sell you the power generated by the System for 25 years. We refer to this period of time as the “Initial Term.” The Initial Term begins on the Interconnection Date. The “Interconnection Date” is the date that the System is turned on and generating power. Provider or one of its contractors or subcontractors will notify you when your System is ready to be turned on. The Initial Term plus any additional renewal terms (if any), as described in Section 23, is referred to as the “Term”. This Agreement shall be effective as of the first date you execute it (“Effective Date.”)

3. Power Purchase Agreement Payments; Amounts.

- (a) Power Price. You are purchasing all of the power the System produces. During the first year of the term, the power price is **\$0.XXX** per kWh. After the first year, the price per kWh will increase annually by **2.9%** of the previous year’s price (“Annual Power Price Escalator”). There are no installation costs to you. “Power Price” means the given Power Price in any year of the Term.
- (b) Payments. Your monthly payments (“Monthly Payments”) is the product of the output of the System in kWh and the Power Price. Each month after the first full calendar month following the Interconnection Date, we will send you an invoice via U.S. mail or email, detailing the output of the System for the prior month in kWh and the Monthly Payment. If you are paying your Monthly Payment by automatic debit from your checking or savings account (ACH) we will debit your bank account on or about the 20th day of each month following the month of delivery of the electricity during the Term (e.g. debits for electricity delivered in January are made on February 20th). If you are not paying by automatic debit, your Monthly Payments will be due on the 20th day of each month and should be sent to this payment address:

Solwerks Power, Inc.
Attention: Customer Service
P.O. Box 400
Lake Elsinore, CA 92531

Down payments due upon installation, if any, are due immediately prior to commencement of installation.
You will make no Monthly Payments if you are fully prepaying this PPA. In this case, you will pay only the amounts listed in the key terms summary on page one of this PPA.

(c) Estimated Production. If (i) the System is shut down for more than seven (7) full twenty-four (24) hour days cumulatively during the Term because of your actions; (ii) you take some action that significantly reduces the output of the System; (iii) you don't trim your bushes or trees to avoid foliage growth from shading the System; or (iv) your System is not reporting production to Provider (e.g. you have disconnected the Internet connection or cellular function discussed in Section 4(a)(xi) below or such connection goes down on the reporting day), then Provider will reasonably estimate the amount of power that would have been delivered to you during such System or reporting outages or reduced production periods ("Estimated Production") and shall consider Estimated Production as actual production for purposes of this paragraph. In the first year of the Term, Estimated Production will be based on our production projections. If we bill you for Estimated Production because your System is not reporting production to Provider, and we subsequently determine that we have either overestimated or underestimated the actual production,

then we will adjust the next bill downward (to refund overbilling) or upward (to make up for lost billing). You will not be charged for Estimated Production when the System is not producing electricity due to Provider's fault, or if it's due to grid failure or power outages caused by someone other than you.

Both parties hereby acknowledge that i) your utility may purchase the Surplus Electricity produced by the System at a rate that is lower than the Power Price and/or the local utility's retail rate, pursuant to the Net Billing Tariff aka NEM 3.0 (or your applicable tariff), and that ii) your commitment to buy from Provider all of the power produced by the System at the Power Price includes Surplus Electricity. "Surplus Electricity" means electricity generated by the System that is in excess of your consumption. PROVIDER DOES NOT WARRANT OR GUARANTEE THAT YOU WILL REALIZE ANY SAVINGS AS COMPARED TO THE COSTS OF PURCHASING YOUR POWER FROM THE LOCAL UTILITY.

4. Power Purchase Agreement Obligations.

(a) System, Home and Property Maintenance

You agree to:

- (i) only have the System repaired pursuant to the Limited Warranty and under the direction and management of Provider, and to reasonably cooperate when repairs are being made;
- (ii) keep trees, bushes and hedges trimmed so that the System receives as much sunlight as it did when it was installed;
- (iii) not modify the Home in a way that shades the System;
- (iv) be responsible for any conditions at the Home that affect the System installation (e.g., blocking access to the roof, or removing a tree that is in the way, prior work you have done on the Home that was not permitted);
- (v) not remove any markings or identification tags on the System;
- (vi) As set forth in Section 4(f)(i), permit Provider, its designees, affiliates, or financing parties, after we give you reasonable notice, to inspect the System for proper operation as we reasonably determine necessary;
- (vii) use the System primarily for personal, family or household purposes, but not to heat a swimming pool;
- (viii) not do anything, permit or allow to exist any condition or circumstance that would cause the System not to operate as intended at the Property;
- (ix) notify Provider if you think the System is damaged or appears unsafe; if any part of the System is stolen; and prior to changing your power supplier;
- (x) return any documents we send you for signature (like incentive claim forms) within seven (7) days of receiving them;
- (xi) maintain and make available, at your cost, a functioning indoor Internet connection with one available wired Ethernet port and standard AC power outlet within eighty (80) feet of the System's AC/DC inverter(s) or if the service is available in your area, you may opt into utilizing a cellular function approved by Provider (applicable fees may apply);
- (xii) notify us of the placement of any encumbrance or Restrictive Covenant on the Home that would prohibit the installation or existence of the System on your roof or require modifications to the System;
- (xiii) enter into, and use during the Term of this Agreement, the interconnecting utility's standard Net Billing Tariff or similar applicable net energy metering tariff;
- (xiv) not install at the Home any other solar panel system, electricity storage, portable or standby

generators, or energy management devices (e.g. – batteries, diesel generators, or 'smart' water heaters) without Provider's prior written consent, and further represent that the Home has no such equipment installed prior to the Effective Date of this Agreement; and

- (xv) keep us notified at the Provider address provided in Section 7 of Exhibit 2 ("Notice Address") of all legal papers, notices, preliminary notices or other papers delivered to you or served on you by any contractor, subcontractor or equipment supplier (e.g., notices of mechanics' liens, notices of equipment supplier liens or notices of the right to lien), and in no event shall you make any settlement, payment or accommodation with such contractor, subcontractor or equipment supplier in connection with the System without Provider's written consent.

(b) System Construction, Repair and Provider's obligations:

Provider agrees to:

- (i) schedule the installation of the System at a mutually convenient date and time;
- (ii) contract for the construction of the System according to written plans;
- (iii) notify you if the System design has to be materially changed so that you can review any such changes; and
- (iv) contract for the repair of the System pursuant to the Limited Warranty and reasonably cooperate with you when scheduling repairs.

(c) **Home Renovations or Repairs**

If you want to make any repairs or improvements to the Property that could interfere with the System (such as repairing the roof where the System is located), you may only have the System removed and replaced pursuant to the Limited Warranty.

(d) **Automatic Payment, Late Charges**

In addition to the other amounts you agree to pay in this Power Purchase Agreement, you agree to pay the following:

- (i) **Automatic Payment:** If you elect to make automatic Monthly Payments from your checking or savings account, then you will be charged the Monthly Payments. If you do not elect automatic Monthly Payments, you will be charged an additional \$10 monthly processing fee and each Monthly Payment will be \$10 greater;
- (ii) **Returned Check Fee:** \$20 (or such lower amount as required by law) for any check or

withdrawal right that is returned or refused by your bank; and

- (iii) **Late Payments:** A late charge of \$30 (or such lower amount as required by applicable law) shall be applied to any late payments not received within ten (10) days after the date such payment is due.
- (iv) **Taxes:** Your Provider electricity rate of \$0.XXX per kWh is composed solely of an electricity rate of \$0.XXX. No state sales taxes are anticipated to be due with respect to your purchase of electricity pursuant to this PPA; however, you agree to pay any changes in the applicable taxes related to this PPA. Thus, if taxes are imposed or rates change, the amount you pay will change to reflect this rate change. If you exercise any of the purchase options set forth in this PPA, you agree to pay any applicable tax on the purchase price for the System. You also agree to pay as invoiced any applicable personal and/or real property taxes on the System that may be assessed or levied.

(e) No Alterations

You agree that you will not make any modifications, improvements, revisions or additions to the System or take any other action that could void the any warranty on the System without Provider's prior written consent. If you make any modifications, improvements, revisions or additions to the System, they will become part of the System and shall be Provider's property.

(f) Access to the System

- (i) You grant to Provider, its financing parties, affiliates, employees, agents and contractors the right to reasonably access all of the Property as necessary for the purposes of (A) installing, constructing, operating, maintaining, owning, repairing, removing and replacing the System or making any additions to the System or installing complementary technologies on or about the location of the System; (B) enforcing Provider's, its financing parties or affiliates rights as to this Power Purchase Agreement and the System; (C) installing, using and maintaining electric lines and inverters and meters, necessary to interconnect the System to your electric system at the Property and/or to the utility's electric distribution system; or (D) taking any other action reasonably necessary in connection with installing, constructing, operating, maintaining, owning, repairing, removing and replacing the System. This access right shall continue for up to one year after this Power Purchase Agreement expires to provide Provider with time to remove the System at the end of the Power Purchase Agreement. Provider shall provide you with

reasonable notice of its need to access the Property whenever commercially reasonable.

- (ii) During the time that Provider has access rights, you shall ensure that its access rights are preserved and shall not interfere with or permit any third party to interfere with such rights or access. You agree that the System is not a fixture, but Provider has the right to file or record any UCC-1 financing statement, fixture filing or other notice that confirms its interest in the System. You acknowledge and agree that we or our subcontractor will record a "Notice of an Independent Solar Energy Producer Contract" with the county recorder's office, pursuant to California Public Utilities Code § 2869. You agree to cooperate with us by providing information regarding title to the Home so that we may exercise the rights referred to in this paragraph.

(g) Indemnity

To the fullest extent permitted by law, you shall indemnify, defend, protect, save and hold harmless Provider, its employees, officers, directors, agents, financing partners, affiliates, subcontractors, successors and assigns from any and all third party claims, actions, costs, expenses (including reasonable attorneys' fees and expenses), damages, liabilities, penalties, losses, obligations, injuries, demands and liens of any kind or nature arising out of, connected with, relating to or resulting from your negligence or willful misconduct; provided, that nothing herein shall require you to indemnify Provider for its own negligence or willful misconduct. The provisions of this paragraph shall survive termination or expiration of this Power Purchase Agreement.

(h) Payments

YOU AGREE THAT THE OBLIGATION TO PAY ALL PAYMENTS AND ALL OTHER AMOUNTS DUE UNDER THIS PPA SHALL BE, ABSOLUTE AND UNCONDITIONAL UNDER ALL CIRCUMSTANCES AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, DEFENSE, COUNTERCLAIM, SETOFF, RECOUPMENT OR REDUCTION FOR ANY REASON WHATSOEVER, IT BEING THE EXPRESS INTENT OF THE PARTIES THAT ALL AMOUNTS PAYABLE BY YOU HEREUNDER SHALL BE, AND CONTINUE TO BE, PAYABLE IN ALL EVENTS INCLUDING BY YOUR HEIRS AND ESTATE AND, EXCEPT AS SET FORTH BELOW IN SECTIONS 21 AND 23, YOU HEREBY WAIVE ALL RIGHTS YOU MAY HAVE TO REJECT OR CANCEL THIS PPA, TO REVOKE ACCEPTANCE OF THE SYSTEM, OR TO GRANT A SECURITY INTEREST IN THE SYSTEM.

(i) **Credit Check**

You authorize Provider, or its designee, to obtain your credit report now and in the future, check your credit and employment history, answer questions others may ask regarding your credit and share your credit information with Provider's financing partners and affiliates. You certify that all information you provide to us in connection with checking your credit will be true and understand that this information must be updated upon request if your financial condition changes.

5. Conditions Prior to Installation of the System; Change Orders.

(a) Provider's obligation to contract for the installation of the System and sell you the power it produces is conditioned on the following items having been completed to its reasonable satisfaction:

- (i) completion of (A) the engineering site audit (a thorough physical inspection of the Property, including, if applicable, geotechnical work), (B) the final System design, and (C) real estate due diligence to confirm the suitability of the Property for the construction, installation and operation of the System;
- (ii) approval of this Power Purchase Agreement by Provider's financing parties;
- (iii) your meeting the applicable credit criteria;
- (iv) confirmation of rebate, tax credit and renewable energy credit payment availability in the amount used by provider to determine the Monthly Payments set forth in this Power Purchase Agreement;
- (v) confirmation that Provider will obtain all applicable benefits referred to in Section 8;
- (vi) receipt of all necessary zoning, land use and building permits; and
- (vii) completion of any renovations, improvements or changes reasonably required at the Home or on the Property which have been agreed upon in writing (e.g., removal of a tree or necessary roof repairs to enable the safe installation of the System).

Provider may terminate this Power Purchase Agreement without liability if, in its reasonable judgment, any of the above listed conditions (i) through (vii) will not be satisfied for reasons beyond its reasonable control. Once Provider starts installation, however, it may not terminate this Power Purchase Agreement for your failure to satisfy conditions (i) through (vii) above.

(b) **Amendments.**

You authorize Provider to make corrections to the utility paperwork to conform to this PPA or any amendments to this PPA signed by both parties.

6. Warranty.

YOU UNDERSTAND THAT THE SYSTEM IS WARRANTED SOLELY UNDER THE LIMITED WARRANTY ATTACHED AS **EXHIBIT 2**, AND THAT THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION.

7. Transfer.

You agree that Provider may assign, sell or transfer the System and this Power Purchase Agreement, or any part of this Power Purchase Agreement or the exhibits, without your consent.

8. Ownership of the System; Tax Credits and Rebates.

The System means all of the components, materials, equipment and balance of systems installed at the Property and required to produce and deliver solar electricity and interconnect to the utility grid, including but not limited to photovoltaic solar panels, inverters, racking, meters, switches, panels, wires, connectors and/or storage batteries, as applicable. You agree that the System is Provider's personal property under the Uniform Commercial Code. You understand and agree that this PPA is not a contract to sell or lease the System to you. Provider owns the System for all purposes, including any data generated from the System. You shall at all times keep the System free and clear of all liens, claims, levies and legal processes not created by Provider, and shall at your expense protect and defend Provider against the same. You understand and agree that any and all tax credits, incentives, renewable energy credits, green tags, carbon offset credits, utility rebates or any other nonpower attributes of the system are the property of and for the benefit of Provider, usable at its sole discretion. Provider shall have the exclusive right to enjoy and use all such benefits, whether such benefits exist now or in the future. You agree to refrain from entering into any agreement with your utility that would entitle your utility to claim any such benefits. You agree to reasonably cooperate with Provider so that it may claim any tax credits, renewable energy credits, rebates, carbon offset credits or any other benefits from the System. This may include to the extent allowable by law, entering into net metering agreements, interconnection agreements, and filing renewable energy/carbon offset credit registrations and/or applications for rebates from the federal, state or local government or a local utility and giving these tax credits, renewable energy/carbon credits, rebates or other benefits to Provider.

9. Purchasing the System.

You have the option to purchase the System as detailed below. To exercise this option you must be in good standing under this Power Purchase Agreement and you need to give

us at least one (1) month's, but not more than three (3) months' prior written notice. You can purchase this System:

- (i) on the six (6) year anniversary of the beginning of the Initial Term and every annual anniversary after the six (6) year anniversary (the "Early Purchase Option");
- (ii) when you sell the Home pursuant to the terms of Section 10 below;
- (iii) if Provider ever ceases its operations and fails to provide for a substitute provider; and
- (iv) at the end of the Initial Term or any additional renewal term.

In each of (i), (iii) and (iv) above, the price you will pay for the System will be the greater of System's fair market value ("FMV") or the "Termination Value" shown in Table 1 for that year. The interests of any financing party shall not be taken into account when determining the FMV; a third party independent appraiser approved by Provider will be retained to compute the System's FMV. In the instance of (ii) above, the price you will pay for the System will be determined in accordance with Section 10 below. Each such price applicable to each of (i), (ii), (iii) and (iv) above is the "Purchase Price". If the option to purchase under (i) through (iv) is selected you agree to pay any applicable tax on the purchase price for the System. If the option to purchase under (i) through (iv) is selected and fully performed in accordance with this PPA, none of you, us, or any future owner of the System will have any further obligations under this PPA (other than those which, by their terms, expressly survive termination of this PPA). Provider's obligations under the Limited Warranty (Exhibit 2) will terminate when you purchase the System.

10. Selling the Home.

(a) If you sell the Home you can:

(i) **Transfer this Power Purchase Agreement and the Monthly Payments**

If the person buying the Home meets Provider's then current credit requirements and agrees to take on the obligations under this PPA, then where permitted by the local utility, the person buying the Home can sign a transfer agreement assuming all of your rights and obligations under this Power Purchase Agreement.

(ii) **Purchase the System**

If you sell the Home, at any time during the Term, you can purchase the System (the "Purchase to Sell Option") by paying us the greater of (A) the FMV of the System as determined by an appraisal and (B) the "Termination Value" shown in Table 1 which corresponds to the year in which the Purchase to Sell Option is exercised, plus all amounts accrued and unpaid under this PPA including,

without limitation, all accrued and unpaid Monthly Payments, penalties, late charges, if any, and taxes, plus any applicable sales taxes, use tax or governmental charges (including any amounts that may be imposed, or required to be collected by us, with respect to the recapture or forfeiture of any government incentives, such as tax credits and depreciation benefits, including any related government penalties) related to the purchase and sale of the System. The appraisal will be conducted, if at all, at your sole cost. You are required to give us at least two (2) weeks' prior written notice (to Notice Address) of your intention to exercise the Purchase to Sell Option. If this Purchase to Sell Option is selected and fully performed in accordance with this PPA, none of you, us, nor the new owner of the Home will have any further obligations under this PPA (other than those which, by their terms, expressly survive termination of this PPA). Provider's obligations under the Limited Warranty (Exhibit 2) will terminate when you purchase the System. You understand that the sale of the Home and/or your purchase of the System may result in increased state and local property tax liabilities.

- (b) You agree to give Provider at least fifteen (15) days but not more than three (3) months prior written notice if you want someone to assume your PPA obligations. In connection with this assumption, you, your approved buyer and Provider shall execute a written transfer of this PPA.
- (c) If you sell the Home and cannot comply with any of the options in subsection (a) above, you will be in default under this Power Purchase Agreement. This Section 10(c) includes a Home sale by your estate or heirs.
- (d) EXCEPT AS SET FORTH IN THIS SECTION, YOU WILL NOT ASSIGN, SELL, PLEDGE OR IN ANY OTHER WAY TRANSFER YOUR INTEREST IN THIS PPA WITHOUT OUR PRIOR WRITTEN CONSENT.

11. Loss or Damage.

- (a) Unless you are grossly negligent or you intentionally damage the System, Provider will bear all of the risk of loss, damage, theft, destruction or similar occurrence to any or all of the System. Except as expressly provided in this PPA, no loss, damage, theft or destruction will excuse you from your obligations under this PPA, including Monthly Payments.
- (b) If there is loss, damage, theft, destruction or a similar occurrence affecting the System you shall continue to timely make all Monthly Payments and pay all other amounts due under the PPA and cooperate with Provider

to have the System repaired pursuant to the Limited Warranty.

12. Limitation of Liability.

(a) No Consequential Damages

PROVIDER'S LIABILITY TO YOU UNDER THIS POWER PURCHASE AGREEMENT SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. YOU AGREE THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES.

(b) Actual Damages

EXCEPT FOR CLAIMS UNDER SECTION 4(G), NEITHER PARTY'S LIABILITY TO THE OTHER WILL EXCEED AN AMOUNT EQUAL TO THE MAXIMUM AMOUNT THAT COULD BE PAYABLE BY YOU UNDER SECTION 14(H), EXCEPT TO THE EXTENT DAMAGE IS CAUSED BY A PARTY'S WILLFUL MISCONDUCT, GROSS NEGLIGENCE, FRAUD OR VIOLATION OF LAW. DAMAGES TO THE HOME, YOUR BELONGINGS OR THE PROPERTY RESULTING FROM THE INSTALLATION OR OPERATION OF THE SYSTEM ARE COVERED IN THE LIMITED WARRANTY.

13. Default.

You will be in default under this Power Purchase Agreement if any one of the following occurs:

- (a) you fail to make any payment when it is due and such failure continues for a period of ten (10) days;
- (b) you fail to perform any material obligation that you have undertaken in this PPA (which includes doing something you have agreed not to do, like alter the System) and such failure continues for a period of fourteen (14) days after written notice;
- (c) you or your guarantor have provided any false or misleading financial or other information to obtain this Power Purchase Agreement;
- (d) you assign, transfer, encumber, sublet or sell this PPA or any part of the System without Provider's prior written consent;
- (e) you make an assignment for the benefit of creditors, admit in writing you are insolvent, file or there is filed against you a voluntary or involuntary petition in bankruptcy, are adjudicated bankrupt or insolvent or undertake or experience any substantially similar activity;

- (f) you default on any obligation secured by the Home; or
- (g) any representation you made under this PPA was false at the time you signed this PPA, including, without limitation, the representation that you have the requisite authority to sign this PPA, satisfy the obligations and grant the rights to Provider hereunder (in each case on your own behalf and on behalf of each person or entity with an ownership interest in the Home).

14. Remedies in Case of Default.

If this Power Purchase Agreement is in default, we may take any one or more of the following actions. If the law requires us to do so, we will give you notice and wait any period of time required before taking any of these actions. We may:

- (a) terminate this PPA;
- (b) take any reasonable action to correct your default or to prevent our loss; any amount we pay will be added to the amount you owe us and will be immediately due;
- (c) require you, at your expense, to return the System or make it available to us in a reasonable manner;
- (d) proceed, by appropriate alternative dispute resolution procedure, to enforce performance of this PPA and to recover damages for your breach;
- (e) disconnect, turn off or take back the System by legal process or self-help, but we may not disturb the peace or violate the law;
- (f) report such non-operational status of the System to your utility, informing them that you are no longer net metering;
- (g) charge you a reasonable reconnection fee for reconnecting the System to your utility or turning your System back on after we disconnect or turn off the System due to your default;
- (h) recover from you (i) the "Termination Value" shown in Table 1 which corresponds to the year in which the default occurs, plus (ii) all amounts accrued and unpaid under this PPA including, without limitation, all accrued and unpaid Monthly Payments, penalties, late charges, if any, and taxes, plus (iii) any applicable sales taxes, use tax or governmental charges (including any amounts that may be imposed, or required to be collected by us, with respect to the recapture or forfeiture of any government incentives, such as tax credits and depreciation benefits, including any related government penalties); or
- (i) use any other remedy available to us in this PPA or by law.

We may submit to credit reporting agencies (credit bureaus) negative credit reports that would be reflected on

your credit record if you do not pay any amounts due under this PPA as required.

You agree to repay us for any reasonable amounts we pay to correct or cover your default. You also agree to reimburse us for any costs and expenses we incur relating to the System's return resulting from early termination. By choosing any one or more of these remedies, Provider does not give up its right to use another remedy. By deciding not to use any remedy should this Power Purchase Agreement be in default, Provider does not give up our right to use that remedy in case of a subsequent default.

15. System Removal; Return.

At the end of the Initial Term or the termination of this PPA, if you have not renewed this PPA or exercised your purchase option (if any) and you have not defaulted, then within ten (10) days you agree to contact Provider at the Notice Address to schedule a convenient time for Provider to remove the System from the Home at no cost to you. You agree to reasonably cooperate with Provider in removing the System including providing necessary space, access and storage, and we will reasonably cooperate with you to schedule removal in a time and manner that minimizes inconvenience to you.

16. Applicable Law; Arbitration.

PLEASE READ THIS SECTION CAREFULLY. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY.

You and we agree that any dispute, claim or disagreement between us (a "Dispute") shall be resolved exclusively by binding arbitration and that the Federal Arbitration Act governs the interpretation and enforcement of this Agreement to Arbitrate. The laws of the state where the Home is located shall govern the substantive claims arising from this PPA without giving effect to conflict of laws principles.

The arbitration, including the selecting of the arbitrator, will be administered by JAMS, under its Streamlined Arbitration Rules and Procedures (the "Rules") by a single neutral arbitrator selected by the Provider within thirty (30) days of the commencement of the arbitration. Either party may initiate the arbitration process by filing the necessary forms with JAMS. To learn more about arbitration, you can call any JAMS office or review the materials at www.jamsadr.com. The arbitration shall be held in the location that is most convenient to the Home. If a JAMS office does not exist within fifty (50) miles of the Home, then the parties will use another accredited arbitration provider with offices close to the Home. If the value of the relief sought is \$10,000 or less, you may elect to have the arbitration conducted by telephone or based solely on written submissions, which election shall be binding, subject to the arbitrator's discretion to require an in-person hearing, if the circumstances warrant.

The party that initiates the arbitration shall pay all of the filing fees and all of the arbitration fees and costs. Each party will pay its own attorney's fees and costs incurred in connection with such arbitration during its resolution; provided that the party that prevails in any arbitration shall be entitled to recover from the party that does not prevail all reasonable and documented i) attorney's fees and costs, and ii) arbitration fees and costs incurred by the prevailing party related to the Dispute.

Only Disputes involving you and Provider may be addressed in the arbitration. Disputes must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis. The arbitrator will not award relief for or against anyone who is not a party. If either of us arbitrates a Dispute, neither of us, nor any other person, may pursue the Dispute in arbitration as a class action, class arbitration, private attorney general action or other representative action, nor may any such Dispute be pursued on your or our behalf in any litigation in any court. Claims regarding any Dispute and remedies sought as part of a class action, class arbitration, private attorney general or other representative action are subject to arbitration on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. This means that the arbitration may not address disputes involving other persons with disputes similar to the Disputes between you and Provider.

The arbitrator shall have the authority to award any legal or equitable remedy or relief that a court could order or grant under this agreement. The arbitrator, however, is not authorized to change or alter the terms of this Power Purchase Agreement or to make any award that would extend to any transaction other than yours. All statutes of limitations that are applicable to any dispute shall apply to any arbitration between us. The arbitrator will issue a decision or award in writing, briefly stating the essential findings of fact and conclusions of law.

BECAUSE YOU AND WE HAVE AGREED TO ARBITRATE ALL DISPUTES, NEITHER OF US WILL HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN COURT, OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE RULES. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING ON THE PARTIES AND MAY BE ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE LAW GOVERNING ARBITRATION AWARDS. OTHER RIGHTS THAT YOU OR WE WOULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

17. Waiver.

Any delay or failure of a party to enforce any of the provisions of this PPA, including but not limited to any

remedies listed in this PPA, or to require performance by the other party of any of the provisions of this PPA, shall not be construed to (i) be a waiver of such provisions or a party's right to enforce that provision; or (ii) affect the validity of this PPA.

18. Notices.

All notices under this PPA shall be in writing and shall be by personal delivery, facsimile transmission, electronic mail, overnight courier, or certified or registered mail, return receipt requested.

19. Entire Agreement; Changes.

This PPA contains the parties' entire agreement regarding the sale and purchase of power generated by the System. There are no other agreements regarding this PPA, either written or oral. No representations or warranties, either written or oral, are made by Provider, except pursuant to this PPA; no statements made by any salesperson, installer, or agent in connection with this PPA or the System, whether written or oral, shall constitute statements, representations, or warranties of the Provider. Any change to this PPA must be in writing and signed by both parties. If any portion of this PPA is determined to be unenforceable, the remaining provisions shall be enforced in accordance with their terms or shall be interpreted or re-written so as to make them enforceable.

20. Battery Energy Storage System.

The System on your home may include a battery energy storage system(s) (the "Battery") which may include storage batteries, charge controllers, sub-panels, switches, and/or similar components and equipment. If applicable, the parties acknowledge and agree that i) the Battery shall draw charge from the System only, ii) the Battery shall not provide backup power to your Home in the case of utility power outage, iii) Provider shall, and you shall not, have the sole right to control and optimize all Battery settings, in its sole discretion, iv) Provider may elect, in its sole discretion, to enroll the System, the Home, and the related utility meter account in any grid services programs available through your utility (e.g. demand response/management, ancillary services), and to act as your sole agent, consultant, aggregation partner, or similar for such programs, and v) you shall not install any equipment or technology for any utility grid services without the written consent of Provider, because such equipment could interfere with the operation of the System.

DO NOT DEPEND ON BATTERY BACKUP ELECTRICITY FOR LIFE SUPPORT OR OTHER MEDICAL EQUIPMENT. IF YOU HAVE CRITICAL MEDICAL EQUIPMENT ELECTRICITY NEEDS DURING AN ELECTRICITY OUTAGE, CONTACT YOUR LOCAL EMERGENCY SERVICES OR DIAL 911.

21. NOTICE OF RIGHT TO CANCEL.

YOU, THE BUYER, MAY CANCEL THIS TRANSACTION AT ANY TIME PRIOR TO MIDNIGHT OF THE THIRD BUSINESS DAY AFTER THE DATE OF THIS TRANSACTION. SEE THE ATTACHED NOTICE OF CANCELLATION FORM (EXHIBIT 1) FOR AN EXPLANATION OF THIS RIGHT.

22. Contractors and Subcontractors.

Provider may have some or all of its obligations hereunder performed by contractors and/or subcontractors without your consent.

23. Renewal.

If you are in compliance with this PPA, you and your Provider have the option to renew this PPA for up to ten (10) years in two (2) five (5) year renewal periods. We will send you renewal forms three (3) months prior to the expiration of the Initial Term, which forms shall set forth the new Monthly Payments due under the renewal PPA, based on our assessment of the then current fair market value of the System. If you want to renew, complete the renewal forms and return them to us at least one (1) month prior to the end of the PPA. In the event that you cancel the PPA or express your disapproval of the new Monthly Payments in writing to us, this PPA shall expire by its terms on the termination date.

IF YOU DO NOT SEND US A RESPONSE IN WRITING AFTER WE SEND YOU THE RENEWAL FORMS, THEN THIS PPA SHALL RENEW FOR AN ADDITIONAL ONE (1) YEAR TERM AT TEN PERCENT (10%) LESS THAN THE THEN-CURRENT AVERAGE RATE CHARGED BY YOUR LOCAL UTILITY AND SHALL CONTINUE TO RENEW FOR ONE (1) YEAR TERMS AT THE SAME RATE (IN ABSOLUTE TERMS) AS YOUR FIRST RENEWAL UNTIL (I) YOU CONTACT US AT THE NOTICE ADDRESS AT LEAST THIRTY (30) DAYS PRIOR TO A RENEWAL TERM TO INFORM US THAT YOU DO NOT WISH TO RENEW; OR (II) WE SEND YOU A NOTICE TERMINATING THE PPA.

2. LIMITED WARRANTIES

(a) Limited Warranties

Provider warrants the following (together, the “Limited Warranty”):

(i) Roof Warranty

When the Home’s roof is penetrated during a System installation, we will warrant roof damage caused due to our contracted installer’s roof penetrations (the “Roof Warranty”). The Roof Warranty will run the longer of (A) one (1) year following the completion of the System installation; and (B) the length of any existing roof installation warranty or new home builder performance standard for your roof (the “Roof Warranty Period”); Provider will honor the Roof Warranty and will contract for the repair or replacement of any defective workmanship covered by the Roof Warranty, at no cost or expense to you, when you submit a valid claim.

(ii) Repair Promise

If the System’s installer is directly responsible for any material damage to the Home, your belongings, or the Property, the Provider will contract to repair the damage caused by our contracted installer or pay you for the damage caused, as described in Section 6 of the PPA. Provider’s contractors may use new or reconditioned parts when making repairs or replacements.

(b) Making a Claim; Transferring this Warranty

(i) Claims Process

You can make a claim under the Limited Warranty by contacting us at the address in Section 7 below, with a reasonably detailed description of the damage and related circumstances, no later than ten (10) business days after the later of i) the action, incident, or event giving rise to the damages, and ii) the date that you know (or should have known) of the damages, or of the action, incident, or event giving rise to the damages.

(ii) Transferable Limited Warranty

Provider will accept and honor any valid and properly submitted claim made during the Initial Term by any person to whom you properly transfer the PPA.

(c) Exclusions and Disclaimer

The limited warranties provided in this Limited Warranty do not apply to any repair, replacement or correction required due to the following:

- (i) someone other than Provider’s approved service providers installed, removed, re-installed or repaired the System;

- (ii) destruction or damage to the System or its ability to safely produce power not caused by Provider's approved service providers while servicing the System (e.g., if a tree falls on the System);
- (iii) your failure to perform, or breach of, your obligations under the Power Purchase Agreement;
- (iv) your breach of this Limited Warranty, including your being unavailable to provide access or assistance to us in diagnosing or repairing a problem, or your failing to maintain the Home's roof; or
- (v) any Force Majeure Event (as defined below).

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state.

THE LIMITED WARRANTIES DESCRIBED IN SECTION 2(A) ABOVE ARE THE ONLY EXPRESS WARRANTIES MADE BY PROVIDER WITH RESPECT TO THE SYSTEM OR THE PPA. TO THE EXTENT PERMITTED BY APPLICABLE LAW, PROVIDER HEREBY DISCLAIMS, AND ANY BENEFICIARY OF THIS LIMITED WARRANTY HEREBY WAIVES, ANY WARRANTY WITH RESPECT TO ANY COST SAVINGS FROM USING THE SYSTEM.

3. PROVIDER'S STANDARDS

For the purpose of this Limited Warranty the standards for performance will be normal professional standards of performance within the solar photovoltaic power generation industry in the relevant market.

4. SYSTEM REPAIR

You agree that if (i) the System needs any repairs due to your negligence or misconduct, or (ii) the system needs to be removed and reinstalled to facilitate remodeling of the Home, you will have a qualified service provider approved by Provider, at your expense, perform such repairs, removal and reinstallation on a time and materials basis.

5. FORCE MAJEURE

If Provider is unable to perform all or some of its obligations under this Limited Warranty because of a Force Majeure Event, Provider will be excused from whatever performance is affected by the Force Majeure Event, provided that:

- (a) Provider, as soon as is reasonably practical, gives you notice describing the Force Majeure Event;
- (b) Provider's suspension of its obligations is of no greater scope and of no longer duration than is required by the Force Majeure Event (i.e., when a Force Majeure Event is over, we will make repairs); and
- (c) No Provider obligation that arose before the Force Majeure Event that could and should have been fully performed before such Force Majeure Event is excused as a result of such Force Majeure Event.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by Provider's fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; pandemic or disease outbreak; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; delay caused by Provider's contractors, service providers, suppliers or equipment manufacturers; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; the binding order of any governmental authority (provided that such order has been resisted in good faith by all reasonable legal means); the failure to act on the part of any governmental authority (provided that such action has been timely requested and diligently pursued); unavailability of power from the utility grid, equipment, supplies or products (but not to the extent that any such availability of any of the foregoing results from Provider's failure to have exercised reasonable diligence); power or voltage surge caused by someone other than Provider including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by Provider or under its control.

6. LIMITATIONS ON LIABILITY

(a) No Consequential Damages

(b) Limitation of Duration of Implied Warranties

ANY IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY ARISING UNDER STATE LAW, SHALL IN NO EVENT EXTEND PAST THE EXPIRATION OF ANY WARRANTY PERIOD IN THIS LIMITED WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Customer hereby authorizes the depositing financial institution named below to enter such debits or credits to such account. Customer also acknowledges that Provider may assign the Agreement to a third-party and that the assignee or its agents may then initiate debit entries per this Authorization Agreement.

Notice of Changes

Customer hereby acknowledges that the automatic payment information provided is correct. If this information changes, Customer must notify Provider immediately. By signing below, Customer represents to Provider that all persons whose signatures are required to withdraw funds from the above referenced account have executed this Authorization Agreement. Customer hereby acknowledges receipt of a copy of this Authorization Agreement for his/her records.
